

Create a hand print reindeer with Alba

You will need

Bowl of brown paint,
white card,
scissors and glue

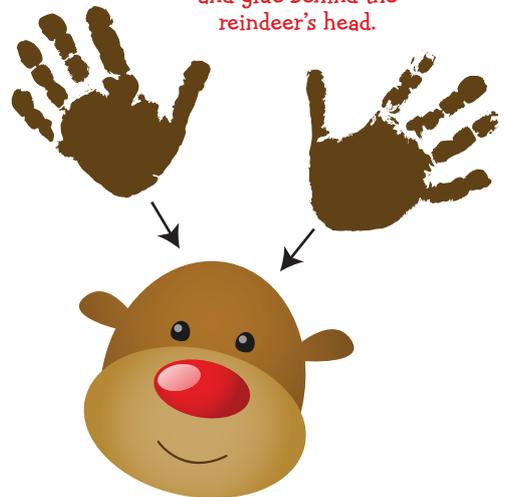

Apron

Large bowl with
water in for rinsing
and a towel.

Instructions

1. Print out, glue on to card and cut out the reindeer head on the next page.
2. Dip your hands in the brown paint, then press your hands on to the white card.
3. Once your hand prints are dry, cut them out and stick to the back of the reindeer's head.
4. You now have a fantastic Christmas reindeer!

Cut out the hand prints
and glue behind the
reindeer's head.
