

Make a twig reindeer with Skipper

You will need

A twig, card, glue,
tape and scissors.

Stick me onto
card and cut
me out!

Instructions

1. With an adult, go for a walk in the park and find a twig that looks like reindeer antlers.
2. Print out, stick onto card, and cut out the Reindeer head above.
3. Make sure the twig is dry, then glue the head onto the twig. Put a piece of tape behind the twig fixing it to the back of the head to make it extra secure.
4. You now have a fantastic twig Reindeer!
