

Pip Ahoy!

Song Lyrics

“Come join the party down in Salty Cove
It's so much fun it's like a treasure trove

Pip and Alba lead the way
New adventures every day
And lots of seaside fun

Dive down in the submarine
See what's beneath the sea
Or ride the jolly Bubble Train for free!

Up in the Lighthouse Skip can see
That it's another day of sunshine
And so much seaside fun”

pip
