

Ask a grown up to make  
this with you!

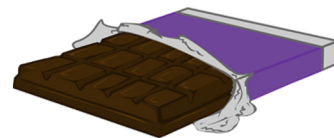

Bonjour, Pipsqueaks!  
My Rocky Road treats  
are as easy to make  
as they are tasty!

## Madame Eclair's Rocky Road

### INGREDIENTS

2 medium-sized bars of  
milk chocolate  
a couple of handfuls of  
mini marshmallows  
6 digestive biscuits (broken  
into largish chunks)  
hand full of raisins  
(optional)

1. Break up chocolate and get a grown up  
to melt it in the microwave

2. Once the chocolate has melted add  
the rest of the ingredients and mix well,  
Making sure not to break up the biscuits  
too much.

3. Pour into a baking tray, which has been  
lined with parchment or greaseproof  
paper, level out and stick in the  
refrigerator for a few hours

4. Once the mix has set, tip out and cut  
into squares to share out and enjoy!
